

# INITIAL REAL TEST OF 'BIG SIX' MEMBERS

Princeton, Dartmouth and Pennsylvania Have Hard Games — Hanoverians and Tigers Most Important.

NEW YORK, Oct. 25.—Football games which will demonstrate the real caliber of several of the big eastern varsity eleven are scheduled to be played Saturday. In at least two cases it will be possible to tell by nightfall whether members of the so-called "big six" class measure up to the plans accorded them by their optimistic adherents.

Princeton, Dartmouth and Pennsylvania are the universities whose eleven step on the testing scales Saturday and victories, if such be their portion, will have to be well earned and their ranking status fixed for a few weeks at least. The southern section of the eastern division of varsity football is to be pre-eminently, since Dartmouth plays Princeton at Princeton, N. J., and the Carlisle Indians invade Franklin field, Philadelphia to meet the University of Pennsylvania team. Of these two games the Princeton-Dartmouth contest is the more important since neither eleven has yet met defeat and each has future games to play with combinations already making gridiron history for 1913.

**Dartmouth Has Good Record.**

Dartmouth goes to Princeton with a strong but rather light combination and a record that is the best made by any eastern team to date. In four games the Hanoverians have rolled up 162 points. In line plunging, forward passing and end runs, Dartmouth is both strong and consistent and has shown nothing exceptional in either goal or field goal kicking.

Princeton in an equal number of games, has fallen 28 yards short of Dartmouth's record and of her 124 points 61 were secured in the game against Fordham. To date, the Princeton team appears to be a more or less of a two man scoring machine, since Streiff and H. Baker have collected 66 of the 108 points scored by touchdowns. Undoubtedly Coach Kavanaugh has given instructions that these two players be covered at all times during the game and their performances against a team of the high caliber of Dartmouth will be awaited with interest.

**Show Is Power.**

Should Show play at fullback for any considerable period Dartmouth's chances of victory will be considerably improved. As a ground gainer and defensive back he is the equal of any Princeton player in Saturday's lineup. Dartmouth is particularly fortunate in the possession of excellent substitute material, her second string players being almost equal in ability to the men who will open the game against the Tigers. An added feature is the confidence which prevails among the squad and their supporters. Were the services of Ambrose, left halfback, assured, Dartmouth would enter the game confident that it was to produce a conquest for the green.

To date these two colleges have played nine games of which Princeton has won six, Dartmouth two, while that of 1909 was a tie at six to six.

The game between Pennsylvania and the Carlisle Indians is expected to produce a sensational type of play. During recent years this annual game has been filled with thrilling runs, passes and kicks, and frequently ended in score upset, that left shrewd followers of football aghast. On general form this autumn the Quakers appear to have the advantage. Under the coaching of George Brooks the Pennsylvania team has been coming fast. In five games 124 points have been collected to six for opponents and the red and blue has yet to lower its colors before a competitor. In Marshall, Young, Avery and Minds the Quakers have a remarkably fast and well balanced backfield. These four players have scored 109 of the

124 points credited to Pennsylvania and every form of scoring is represented.

**Carlisle Not So Strong.**

Carlisle's aggregation is not as strong or versatile as was the case in 1912. The loss of Thorpe and Arcasia is severely felt and shown in the play. Guyon has been the star performer, having scored eight of the 17 touchdowns and four of the eight goals. Not a single field goal has been registered by the Indians. The red men's record is marred by the defeat administered by the University of Pittsburgh last Saturday which even the victory over Cornell does not wipe out.

Harvard will have Pennsylvania State as opponent in the stadium Saturday. Originally Norwich university was booked but the game was cancelled after the death of Halfback Belica due to injuries received in the Norwich-Holy Cross game.

Pennsylvania State already defeated by Washington and Jefferson 17 to nothing does not appear to be a formidable opponent for the crimson team and should go the way of Maine, Bates, Williams and Holy Cross, all of which have fallen before Harvard.

Pennsylvania State's conquerors, Washington and Jefferson, will try their hand at big game in facing Yale and again it will be possible by a roundabout method to compare the relative strength of the blue and the crimson. If Harvard's score over Pennsylvania State is 17 points or more better than Yale's record against Washington and Jefferson then the Cambridge cohorts will continue to hold the heavy plunging Pittsburghers to a victory for the crimson when the two teams meet in the stadium on Nov. 22.

**Cornell Has Hard Foe**

Cornell is called upon to face a powerful aggregation in the University of Pittsburgh team which defeated Carlisle 12 to six, one week after the Indians had won from Cornell seven to nothing.

The Ithacans under the coaching of Al Sharpe have been steadily developing their defensive play and hope to hold the heavy plunging Pittsburghers in check while Barrett or Fritz score either by touchdown or field goal. To win, Cornell must prove superior to the visitors in defensive tactics since the rushing strategy of the two elevens is about on a par.

The principal games in the east with season's scores are shown in the appended table:

**\$11,000 RUBE TO BRAVES?**

Reported Marquard is to be Traded to Boston For Tyler.

NEW YORK, Oct. 25.—Tyler, of Boston For Rube Marquard? This trade is expected to be made before Manager McGraw returns from a tour of the world. Negotiations were under way when the leader of the Giants started west last week and it is learned on excellent authority that everything is ready for the official announcement. This will probably be made now in a few days. It was hoped that the secret could be kept from the fans till the annual meeting next December.

Marquard came to New York from Indianapolis four years ago. He cost the New York club \$11,000. The first season Rube failed miserably. Then he came through with a record of 19 straight victories. He has not been very steady during the last season. The club had a lot of trouble inducing him to sign last spring.

Last season Tyler won 15 and lost 17 games. He always pitched strong against the Giants.

His first professional experience was gained in the Central league.

**ANDERSON CANCELS BOUT.**

INDIANAPOLIS, Oct. 25.—Jimmy Anderson's scheduled bout with Manuel Vieira at Shelbyville Friday night has been postponed until a later date. Jimmy will appear on the Marion club boxing card Saturday night, and expects to get a good start for a winter campaign in the rings. He is in fine shape and will make the Indiana lightweight step lively this season.

**MUESSELS VS. CENTURIES.**

The Muesseles will meet the Century club eleven Sunday on Oliver's field at 2:45 o'clock. A good game is expected.

# BIG GAME OF MIDDLE WEST FOR CHICAGO

Maroons and Purdue Will Clash in Important Contest Today. Indianapolis Gets Illinois-Indiana Battle.

CHICAGO, Oct. 25.—Arriving in line of battle their strongest battalions for a decisive conflict, Chicago and Purdue meet here Saturday in the feature event of the day's central states football program. On the outcome of the game hangs the claim of each college to the year's championship and with a full realization of its importance, coaches, trainers and players have striven together to place in the field their best teams in the best possible condition.

Chicago rooters take hope from their belief that Coach Stagg has a lot of maneuvers in his repertoire, which he did not find necessary to uncover in the Iowa game last Saturday; straight football was enough to beat the hustling Hawkeyes, although it took the best midway team to stop them. Whatever dread of the outcome Chicago feels is based on reports of the meteoric flights Oliphant, the Purdue star, is likely to make. The game should be a brilliant contest of backfield men—Oliphant, Applegate and O'Brien on one side and a trio of stars just as bright on the other in Nordjost, Grey and Pierce.

**Interest in U. of M. Game.**

A game of nation-wide interest takes place in Nashville Saturday, when Michigan meets Vanderbilt. A more or less battered team represents the Ann Arbor school, but since its defeat by the Argies last Saturday, Coach Yost is said to have improved its general form. In the Dixie eleven brought into great shape, it is said by Dan McGugan, a Yost pupil, the Wolverines are likely to find as tough an opponent as the Lansing team proved last week.

Wisconsin's veterans have hoped to strengthen their hope for a successful year and regain prestige by downing the Michigan Agricultural college team Saturday. The Badgers, held to a tie last Saturday by Purdue, have devoted a hard week of training to preparing themselves for the team that downed Yost's men and late reports from Madison indicate a confidence in the team's ability equal to that expressed by the Argies.

**Indiana vs. Illinois.**

An annual battle of more than usual interest is on the cards for Indianapolis, where Illinois and Indiana meet. Prophets are inclined to favor the former and the game will prove a real test of Zuppke's ability as a coach and of his team's caliber as regards his championship chances.

Misfortune seems to follow the Northwestern team and the slump reported from Iowa will have to be pretty severe, any critics, to keep the Hawkeyes from beating the purple at Evanston. Among the important games Saturday are:

Purdue vs. Chicago, at Chicago.

Michigan vs. Vanderbilt at Nashville.

Illinois vs. Indiana, at Indianapolis.

Iowa vs. Northwestern, at Evanston.

Michigan A. C. vs. Wisconsin, at Madison.

North Dakota vs. Minnesota, at Minneapolis.

Missouri vs. Ames at Ames.

Kansas A. C. vs. Kansas at Manhattan.

**WANT FOX TO LEAD YELLS**

Horace Fox of this city, was called upon to lead the Hoosier rooters today in their cheering at the Indiana-Illinois game, but was unable to grant the request. Fox, better known as "Red," received a telegram yesterday from the president of the Boosters' club asking him to act as cheer leader, his skill in that capacity when he was a student at Bloomington being well remembered.

**TIGERS READY FOR RACE.**

PRINCETON, N. J., Oct. 25.—The Princeton crew, which will meet Yale in the mile and five-eighths race here Saturday, has put the finishing touches on its work. Dr. Spaeth, coach of the team, is satisfied with the time trial of yesterday. The Yale eight was due to arrive here Friday. The blue oarsmen will have two days' practice on Carnegie lake before the race.

**TO INVESTIGATE WRECK**

MUNCIE, Ind., Oct. 25.—Michael Carey, an inspector for the Indiana Public service commission, arrived here Friday to investigate the wreck of the Indiana Union Traction car near here Wednesday in which one person was killed and 41 injured. He refused to discuss his mission.

All the injured have been pronounced out of danger except Simon J. Davis of Parker City, whose condition is said to be critical.

## VARSIITY IS GIVEN SCARE BY SCRUBS

Regulars Held to 6-6 Score by Second String Men, Who Show Up Sensationally—Play Alma College Today.

Fighting desperately for every yard of ground the Notre Dame scrubs gave the regulars a bad scare yesterday by holding the first team to a 6 to 6 score. The second string men were the first to tally and played a brand of football that bewildered their opponents at every stage of the game. Although Notre Dame is to play Alma today, Coach Harper, dissatisfied with the showing of the past week, sent his squad through 35 minutes of the fiercest scrimmage in an effort to do away to splendid headwork in turning his team at quarter-back and displayed his best form of the season. The scrub line gave the regular forwards a fierce fight at all times. McLaughlin and Voelkers shone on the defense, holding the "Varsity" line plungers to short gains. Sharp and Cook worked like veterans at the tackle positions and showed good advantage both on the offense and on the defense.

Dorais, as usual, was the big man in the "Varsity" play. His headwork and cool judgment enabled the regulars to come back to even the score and to come close to a second score. The little general used his forward pass plays for frequent long gains and his own end running, helped materially in the first half. Ground gaining, Finnegan, at left half, was another whose playing delighted the coaches and rooters. Sam's line bucking was all that it should be and the handling passed off from Dorais in perfect style. Finnegan will start this afternoon's game at half in place of "Heinie" Berger who is laid up with a bad "charley horse."

Harper will start his regular lineup, with the exception of Berger, this afternoon. Rockne will play his first game since the injury which laid him out in the opening contest with Ohio Northern and the gold and blue captain is anxious to be again in the fight. His speed and stellar defensive work are expected to help.

From the splendid performance of the scrubs yesterday, many of them will break into the fray this afternoon if the score is not too close.

Harper will use the following men against Alma: Captain Rockne, left end; Jones, left tackle; Keefe, left guard; Feeney, center; Fitzgerald, right guard; Lathrop, right tackle; Gushurst, right end; Dorais, quarterback; Finnegan, left halfback; Pleska, right halfback; Eichenlaub, fullback. The officials will be: Metzler, Springfield, T. S. referee; Edwards, Notre Dame, umpire, and Morrone, Wabash, head linesman.

The game will begin promptly at 3:30 o'clock.

**C. A.'S LEAD LEAGUE.**

The C. A.'s are leading in the Commercial-Athletic club bowling league with a percentage of 917. Their nearest rivals, the Stars, have won but 353 of their contests. Hager leads the individual standing list with an average of 202.8, acquired with a handicap of eight pins.

**JACOBS TO PHILLIES.**

PHILADELPHIA, Pa., Oct. 25.—The Philadelphia National league club has purchased Pitcher Elmer Jacobs from the Burlington (Ia.) club of the Central association. The purchase price was not stated.

## FAMOUS LEADERS OF GREATEST ELEVEN

CAPT. YOUNG, PENN.

Captain Young, the Pennsylvania football leader, is tuning up his eleven with one object—to defeat Cornell in the big game of the season.

## INDIANAPOLIS FILLING UP WITH OLD STUDENTS

Alumni of Indiana and Illinois Arrive in State Capital for Today's Football Game.

INDIANAPOLIS, Oct. 25.—Indianapolis was rapidly filling up Friday night with alumni of Indiana and Illinois, arriving for the annual football contest between the two state universities here Saturday afternoon. Local alumni of Indiana university held a smoker Friday night which was attended by many former crimson athletic stars from all over the state.

Gov. Danner of Illinois will accompany a train load of students from the University of Illinois, which will arrive in the morning and will occupy a specially built box at the game. More than 1,000 Indiana students from Bloomington also will arrive on a special train and the students of the two institutions, headed by the two governors and the bands of the universities, will parade the downtown streets.

The odds on the betting slightly favor Illinois, some bets being made at even money that Illinois will win by 10 points.

It is expected that the largest crowd that ever witnessed a football game in Indiana will attend.

**AGAINST PROFESSIONAL COACHING.**

MINNEAPOLIS, Minn., Oct. 25.—Criticism of the professional coach in school and college athletics characterized the address of Pres. E. E. Sparks of the Pennsylvania State college at the opening session of the 51st annual convention of the Minnesota Educational association here. Pres. Sparks spoke on the "Public Schools of Today."

**PLATT ADAMS MARRIES.**

HOUGHTON, Mich., Oct. 25.—Platt Adams of Newark, N. J., Olympic champion jumper, was married here last night to Miss Julia Lombard Hubbard, daughter of Dr. I. L. Hubbard, regent of the University of Michigan.

**LIFE SAVER CAN'T PLAY.**

WASHINGTON, Oct. 25.—Holding life saving to be more important than feats on the gridiron, Assistant Sec. Newton of the treasury department Friday refused permission to Carroll Dwight Hale to absent himself from his life saving service in order to play on the Northwestern university football team at Evanston, Ill.

Pres. Wilson had referred to the department a petition signed by a host of Northwestern students, asking for the release of Hale, whose resignation the keeper of the Evanston life saving station refused to accept on the ground that this was the most important time of the year for experienced life savers to be on duty.

## HUEBNER TO PLAY SUNDAY

Argonauts of Topeka to Oppose Local Eleven at Springfield.

A football game that is expected to be closely contested and full of thrills will be staged at Springfield park Sunday when the husky Argonauts of Topeka come to battle with the Huebner team of this city. The Topeka aggregation averages 175 pounds and have put up some stiff games this season. They defeated the strong Mishawaka team last Sunday by a score of 8 to 0. The Huebners have had a splendid practice this week and have several new forward pass formations to spring for the first time Sunday.

The game will be called promptly at 2:45 o'clock. Jones of Michigan will referee and N. P. Harrington will be umpire. Edwards, of South Bend, will be head linesman.

## COOPER IS MAKING GOOD

Former "Y" Director Playing Football at Springfield.

G. A. Cooper, formerly assistant physical director at the Y. M. C. A., is making good at the Springfield training school, Springfield, Mass., according to his friends here. He has played two halves on the Springfield football team this season, one at half and the other at tackle.

Cooper is a powerfully built young man who knows how to use his powers as the result of an inclination toward wrestling. He conducted several classes in the mat game while here and aroused considerable interest among association members by the example of his own proficiency.

**ESSICK ON HUNTING THIEF.**

GRAND RAPIDS, Mich., Oct. 25.—After spending a week of successful hunting and fishing pastime at Houghton lake, William E. Essick, president of the Grand Rapids Baseball club, returned to the city with glowing tales of the wealth of game in the northern part of the state. Mr. Essick was accompanied by several local friends.

**WALLACE ALIVE.**

POUGHKEEPSIE, N. Y., Oct. 25.—Dillon Wallace, the laborator explorer who it was reported had perished, is alive and will reach his home in Beacon, N. Y., in about a week, according to a letter received by his sister, Miss Anne Wallace, Friday.

## HIGH WILL PLAY LAGRANGE TODAY

Long Signal Drill Ends Preparation for Game This Afternoon—Springbrook Park to be Scene of Battle.

Coach Metzler gave the high school a final signal practice Friday for the LAGRANGE game this afternoon. The team worked up and down the field for about two hours, using some new trick plays and formations on which Metzler pins his hopes, should the LAGRANGE line prove too heavy to handle.

Allan, Poulin, Cottrell and Hartzler will start the game in the back field, but Martin, Scott and Van Den Bosch will probably be used at least a half of the game.

Capt. Rowe and Stanley will appear at guard, with Hagerty in reserve. Booth and Forster are scheduled to take care of the tackles, while Cordier is ready to relieve them. Sullivan and Boswell will start at end. Wolf's "charley horse" is improving steadily, but Metzler does not want to risk any further injury. Shanafelt's shoulder is causing some worry, as the injured part does not appear to be healing, and may cause "Shannie" to lose a game or two.

Whiteman, the lanky center will be seen at the pivotal position.

The game will start promptly at 2 o'clock.

## DECLARES PLAYERS ARE PAID.

RALEIGH, N. C., Oct. 25.—Declaring an unfairness in the charges of the Agricultural and Mechanical college has paid men on its football team, University of North Carolina has canceled arrangements for the first game in eight years on Nov. 15. A. and M. insists the disputed men are eligible.

**GET EXTENSION.**

NEW YORK, Oct. 25.—An extension of time until Nov. 10 was Friday given the arbitrators who are considering the wage dispute between the eastern railroads and their conductors and trainmen. The findings were to have been rendered Saturday night.

**JURY SELECTED.**

CHICAGO, Oct. 25.—The jury which will try Atty. Daniel Donahoe and Detective Isaac Stiefel on charges of conspiracy to defame Clarence S. Funk, was completed Friday.

**CARRIES HUSBY'S ASHES.**

NEW YORK, Oct. 25.—Carrying an urn containing the ashes of her husband, Gus Ruhlman, noted fighter, Mrs. Sarah Ruhlman is attending political meetings here and making a determined fight against the re-election of Otto Geibke as alderman. Mrs. Ruhlman declares that Geibke aided Ruhlman's brothers in attempting to break the dead fighter's will.

"I am here to speak for my dead," she declares. "If Gus were alive he would be here to speak for himself. I feel he is with me."

Mrs. Ruhlman said she would attend every political meeting possible.
